

**Amendments to the drawings**

The attached “Replacement Sheet” of drawings includes changes to Figure 1A. The attached “Replacement Sheet” which includes Figure 1A, replaces the original sheet including Figure 1A.

**REMARKS**

The Notice of Allowance for this application and the proposed Examiner's amendment, dated April 16, 2009, have been carefully reviewed; this submission is intended to be fully responsive.

The Examiner has indicated that a change to Figure 1A has been approved by the Examiner and agreed upon by the Applicant. More specifically, the Examiner has indicated that "the righthand most 'L3' has been deleted and --L1-- inserted therefore." The Examiner has further indicated that the Applicant must make this change in order to avoid abandonment of the application.

In response, the Applicant has amended the Figure 1A of the drawings to change the righthand most L3 to L1.

**Conclusion**

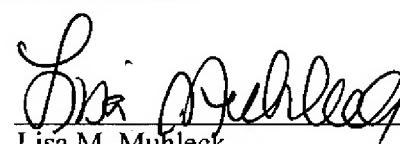

In light of the remarks set forth above, the submitted drawing changes are believed to fully reflect the Examiner's amendment detailed in the Notice of Allowance dated April 16, 2009.

As such, the drawing changes place this application in condition for allowance, which action is herein respectfully requested. If the Examiner believes that a personal conference with Applicants' attorney will expedite prosecution of the captioned application, the Examiner is respectfully invited to contact the undersigned at his earliest convenience.

Respectfully submitted,

**Heino Feussahrens**
